COVID-19 Stay Healthy Aide Kit

The third spike in COVID-19 cases is currently hitting the United States, and employees are increasingly worried about staying healthy and safe during these uncertain times. We know that businesses want to provide a healthy workplace for their employees and stay on track with current CDC guidelines in doing so. It is more important than ever to ensure that your business has the tools in place to reassure employees, provide a healthy workplace, and know what steps to take when COVID-19 does make an appearance.

Developed based on CDC guidelines, the COVID-19 Stay Healthy Aide Kit includes:

- **Contact Tracing Policy and Contact Tracing Log Sheet;**
- **Steps Employers should take to Respond to a Confirmed COVID-19 Exposure;**
- **Model Employee Training Module on COVID-19 Prevention, Hygiene, and Social Distancing, with Training Acknowledgement Form;**
- **COVID-19 Cleaning Policy and Template Cleaning Logs;**
- **Sample Checklist for Safe Operations; and**
- **CDC Posters on COVID-19 Prevention Measures.**

We are in unprecedented times, with a lot of conflicting guidelines and steps that employers can follow to provide a healthy workplace. This COVID-19 Stay Healthy Aide Kit is a valuable resource for your organization to create a foundation for a healthy workplace in the midst of COVID-19. The contents of this Stay Healthy Aide Kit can be purchased for a fixed fee.

Additional site-specific safety precautions may be required for each workplace, in accordance with COVID-19 OSHA guidelines. If you are concerned that your business may have unique issues and risks for exposure, Foley & Foley, PC can help your business tailor a Health and Safety Plan to fit your unique needs through our comprehensive [OSHA Audit](#).

As always, please contact us with any questions or concerns. We can help.
